

Privacy Policy

Last modified: December, 2019

This policy describes the types of information that **HealthBridge.care, LLC** (“**We**”) may collect from you or that you may provide when you use the *HealthBridge.care* website and applications (“**HealthBridge**”) and associated software, and our practices for collecting, using, maintaining, protecting, and disclosing that information. This policy applies to information we collect when you use any function of HealthBridge.

Please read this policy carefully to understand our policies and practices regarding your information and how we will treat it. By accessing or using HealthBridge, you agree to this privacy policy. This policy may change from time to time (see Changes to Our Privacy Policy below). Your continued use of HealthBridge after we make changes is deemed to be acceptance of those changes, so please check the policy periodically for updates.

Information We Collect About You and How We Collect It

We collect several types of information from and about users of HealthBridge, including:

- information by which you may be personally identified such as name, e-mail address, or any other identifier by which you may be contacted online or offline (“**personal information**”);
- information that is about you, but individually does not identify you, which you enter into HealthBridge; and
- information about your internet connection, the equipment you use to access HealthBridge, and usage details.

We collect some information directly from you when you provide it to us, and other information (such as information about your computer and internet connection, including your IP address, operating system, and browser or tablet type) automatically as you use HealthBridge. The information we collect automatically is statistical and technical data and not personal information, but we may tie this information to personal information about you that you provide to us.

How We Use Your Information

The information supplied to HealthBridge by you when seeking a referral is used only to connect you to the proper provider agency, and to provide them with the necessary information to contact you or determine which services are most beneficial to you.

Disclosure of Your Information

We may disclose aggregated information about our users, and information that does not identify any individual, without restriction. We may disclose personal information that we

collect or you provide as described in this privacy policy:

- to fulfill the purpose for which you provided it, such as obtaining a referral;
- to contractors, service providers, and other parties we use to support our business, and who are bound by contractual obligations to keep personal information confidential and use it only for the purposes for which we disclose it to them; and
- for any other purpose disclosed by us when you provide the information; and,
- with your consent.

We may also disclose your personal information:

- to comply with any court order, law, or legal process, including to respond to any government or regulatory request.
- if we believe disclosure is necessary or appropriate to protect our rights, property, or safety, or the rights, property, or safety of our customers or others.

We do not sell or provide personal information to third parties for marketing purposes.

Data Security

We have implemented measures designed to secure your personal information from accidental loss and from unauthorized access, use, alteration, and disclosure. The safety and security of your information also depends on you. You are responsible for keeping the password you use for access to HealthBridge confidential. Do not share your password with anyone.

Unfortunately, the transmission of information via the internet is not completely secure. Although we do our best to protect your personal information, we cannot guarantee the security of personal information transmitted to our system in the course of using HealthBridge. Any transmission of personal information is at your own risk. We are not responsible for circumvention of the security measures contained within HealthBridge.

Changes to Our Privacy Policy

It is our policy to post any changes we make to our privacy policy on our website. The date the privacy policy was last revised is identified at the top of the page.
